

GECS Visitor Policy

Governance Council Policy #2017.3

While Golden Eagle Charter School ("Charter School") encourages parents/guardians and interested members of the community to visit the Charter School and view the educational program, the Charter School also endeavors to create a safe environment for students and staff. As such, parents and other visitors must adhere to the following policy in order to maximize the safety of the students and minimize the disruption to the education environment.

Parents/guardians and other visitors, including children who are not students at the Charter School, shall not loiter on the Charter School premises, including the parking lot and outside school buildings. The parking lot shall be used for picking up and dropping off students, and while conducting business. Parents/guardians and other visitors are expected to leave the campus premises upon the conclusion of any business matters or after dropping their student off at school. If a parent or guardian wishes to visit the Charter School to view the educational program, the visitor must adhere to the following procedures, which have been developed to ensure the safety of students and staff as well as to minimize interruption of the instructional program, pursuant to California Penal Code Sections 627, et. seq.:

1. Classroom visits during school hours should first be arranged with the Program Manager or designee. If a conference is desired, an appointment should be set with the teacher or Program Manager during non-instructional time.
2. All visitors shall register with the front office immediately upon entering any school building or grounds when during regular school hours. When registering, the visitor is required to provide his/her name, address, occupation, age (if under 21), his/her purpose for entering school grounds, and proof of identity. For purposes of school safety and security, the Director, Program Manager or designee may design a visible means of identification for visitors while on school premises.
3. The Director, or designee, may refuse to register an outsider if he or she has a reasonable basis for concluding that the visitor's presence or acts would disrupt the school, its students, its teachers, or its other employees; would result in damage to property; or would result in the distribution or use of unlawful or controlled substances.
4. The Director, Program Manager or designee may withdraw consent to be on campus even if the visitor has a right to be on campus whenever there is reasonable basis for concluding that the visitor presence on school grounds would interfere or is interfering with the peaceful conduct of the activities of the school, or would disrupt or is disrupting the school, its students, its teachers, or its other employees.
5. The Director, Program Manager or designee may request that a visitor who has failed to register, or whose registration privileges have been denied or revoked, promptly leave school grounds. When a visitor is directed to leave, the Director, Program Manager or designee shall inform the visitor that if he/she reenters the school without following the posted requirements he/she will be guilty of a misdemeanor.

6. Any visitor that has his/her registration revoked for fourteen (14) days may request a hearing before the Director or the Governance Council on the propriety of the denial or revocation. The request shall be in writing, shall state why the denial or revocation was improper, shall give the address to which notice of hearing is to be sent, and shall be delivered to either the Director or the Governance Council President within five days after the denial or revocation. The Director or Governance Council President shall promptly mail a written notice of the date, time, and place of the hearing to the person who requested the hearing. A hearing before the Director shall be held within seven days after the Director receives the request. A hearing before the Governance Council shall be held at the next regularly scheduled Governance Council meeting after the President receives the request.

7. The Director, Program Manager or designee shall seek the assistance of the police in dealing with or reporting any visitor in violation of this policy.

8. At each entrance to the Charter School, signs shall be posted specifying the visitor check in procedures, and setting forth the penalties for violation of this policy.

9. No electronic listening or recording device may be used by students or visitors in a classroom without the teacher's and Program Manager's or Director's permission.

Penalties

1. Pursuant to the California Penal Code, if a visitor does not leave after being asked or if the visitor returns without following the posted requirements after being directed to leave, he/she will be guilty of a crime as specified which is punishable by a fine of up to \$500.00 or imprisonment in the County jail for a period of up to six (6) months or both.

2. Further conduct of this nature by the visitor may lead to the School's pursuit of a restraining order against such visitor which would prohibit him/her from coming onto school grounds or attending School activities for any purpose for a period of three (3) years.
